Experience

Ensar Solutions Inc

March 2023 – Sept 2023

Flutter Intern

Remote

- I spearheaded the development of Redefine Task Manager, a task management app for small businesses, leading a multidisciplinary team in design, development, and deployment. Leveraging technologies like Flutter and Firebase, we ensured seamless data synchronization and launched the app successfully on iOS and Android, garnering 100+ downloads and acclaim for its intuitive design and functionality.

NzSofttech Pvt. Ltd.

Sept 2023 – Present

Flutter Intern

Delhi

- Developed and launched Xpay, a Maldives-based e-wallet and e-commerce application, providing seamless digital payment solutions. Integrated e-wallet functionality with e-commerce features to offer a user-friendly platform for online transactions. Catered to the needs of customers in the Maldives and beyond, ensuring convenience and security
- Worked with Google Firebase to manage user inputted data across multiple platforms including web and mobile apps.
- Collaborated with team members using version control systems such as Git to organize modifications and assign tasks.
- Utilized Android Studio as a development environment in order to visualize the application in both iOS and Android.
